**Energy Leaders Plus Income Fund Raises Additional Proceeds as the Over-Allotment Option is Exercised by the Agents; Total Initial Public Offering Gross Proceeds of Approximately \$39.2 million**

TORONTO, November 20, 2014 – Harvest Portfolios Group Inc. (the “Manager”) is pleased to announce that Energy Leaders Plus Income Fund (the “Fund”) issued an additional 57,000 Class A Units of the Fund today pursuant to the exercise of the over-allotment option by the syndicate of agents. Total gross proceeds raised by the Fund in its initial public offering were approximately \$39.2 million. The Class A Units are now trading on the Toronto Stock Exchange under the symbol HPF.UN.

The Fund’s investment objectives are to provide Unitholders with (i) monthly cash distributions; (ii) the opportunity for capital appreciation; and (iii) lower overall volatility of portfolio returns than would otherwise be experienced by owning equity securities of Energy Leaders directly.

The Fund invests in a portfolio (the “Portfolio”) of exchange-listed equity securities of Energy Issuers, which are issuers included in the Energy sector of the Global Industry Classification Standards and whose underlying business includes, but is not limited to, the exploration, extraction, refining, transportation, or marketing of oil and/or gas and related products that (i) have a market capitalization of at least \$10 billion at the time of investment; (ii) are currently paying a dividend/distribution; (iii) have options in respect of their equity securities listed on a recognized options exchange; and (iv) have operations and/or offices in at least two countries.

In order to seek to generate additional returns, Highstreet Asset Management Inc. (the “Investment Manager” or “Highstreet”) may sell call options each month on up to 33% of each of the equity securities held in the Portfolio.

Highstreet will be responsible for the execution of the Fund’s overall investment strategy, including managing the composition of the Portfolio.

The indicative distribution amount is \$0.0583 per Class A Unit per month (\$0.70 per annum) or US\$0.0583 per Class U Unit per month (US\$0.70 per annum), in each case, representing an annual cash distribution of 7% based on the per Unit issue price. The initial cash distribution is anticipated to be payable on or before December 15, 2014 to Unitholders of record on November 28, 2014.

The syndicate of agents for the Offering is being co-led by BMO Capital Markets, CIBC and Scotiabank, and includes National Bank Financial Inc., Canaccord Genuity Corp., GMP Securities L.P., Raymond James Ltd., Desjardins Securities Inc., Global Securities Corporation, Burgeonvest Bick Securities

Limited, Dundee Securities Ltd., Industrial Alliance Securities Inc., Mackie Research Capital Corporation and Manulife Securities Incorporated (collectively, the “Agents”).

Borden Ladner Gervais LLP acted as counsel for the Fund and the Manager and Blake, Cassels & Graydon LLP acted as counsel for the Agents.
