**HEALTHCARE LEADERS INCOME FUND
ANNOUNCES OVERNIGHT OFFERING**

TORONTO, February 25, 2015 – Healthcare Leaders Income Fund (the “Fund”) is pleased to announce it has filed a preliminary short form prospectus in each of the provinces and territories of Canada with respect to an offering of Units of the Fund. The offering will be co-led by BMO Capital Markets, CIBC and Scotiabank.

The Units are expected to be offered at a price of \$10.10 per Unit to yield 6.93% on the issue price. The closing price on the Toronto Stock Exchange of the Units on February 24, 2015 was \$10.52.

The Fund’s investment objectives are to provide Unitholders with (i) the opportunity for capital appreciation; (ii) monthly cash distributions; and (iii) lower overall volatility of Portfolio returns than would otherwise be experienced by owning Equity Securities of Healthcare Leaders directly.

The Fund invests in an equally-weighted Portfolio (at the end of each reconstitution and rebalancing) of Equity Securities of 20 Healthcare Issuers, which are issuers listed on a North American stock exchange that are included in the health care sector of the Global Industry Classification Standards and whose underlying business includes, but is not limited to, the provision of healthcare goods and services, including manufacturing and distributing healthcare products, equipment, supplies and technologies, producing and marketing of pharmaceuticals and biotechnology products, and/or engaging in research and development that (i) have a market capitalization of at least US\$5 billion, and (ii) have options in respect of their Equity Securities listed on a recognized options exchange.
