**TECH ACHIEVERS GROWTH & INCOME FUND
FILES PRELIMINARY PROSPECTUS**

TORONTO, March 30, 2015 – Harvest Portfolios Group Inc. (the “Manager”) is pleased to announce that a preliminary prospectus for Tech Achievers Growth & Income Fund (the “Fund”) has been filed with, and a receipt therefor issued by, the securities regulatory authorities in each of the provinces and territories of Canada.

The Fund proposes to issue Units at a price of \$10.00 per Unit (the “Offering”). Prospective purchasers investing in the Fund will have the option of paying for Units in cash or by exchanging securities of issuers listed in the preliminary prospectus. Prospective purchasers under the exchange option are required to deposit their Exchange Eligible Securities prior to 5:00 p.m. (Toronto time) on April 24, 2015 in the manner described in the preliminary prospectus.

The Fund’s investment objectives are to provide Unitholders with (i) the opportunity for capital appreciation; (ii) monthly cash distributions; and (iii) lower overall volatility of Portfolio returns than would otherwise be experienced by owning Equity Securities of Technology Achievers directly.

The Fund will invest in an equally-weighted Portfolio of Equity Securities of 20 Technology Issuers, which are issuers listed on a North American stock exchange that are included in the information technology, health care equipment, health care technology, wireless telecommunication services or electrical components and equipment sub-sectors of the Global Industry Classification Standards and whose underlying business includes, but is not limited to, the provision of technology related goods and services and that at the time of investment (i) have a market capitalization of at least US\$10 billion, and (ii) have options in respect of their Equity Securities listed on a recognized options exchange.

In order to seek to generate additional returns, Highstreet Asset Management Inc. (the “Options Advisor”) may sell call options each month on up to 33% of each of the Equity Securities held in the Portfolio.

The Manager will be responsible for the execution of the Fund’s overall investment strategy, including managing the composition of the Portfolio.

The indicative distribution amount will be \$0.0583 per Unit per month (\$0.70 per annum), representing an annual cash distribution of 7% based on the per Unit issue price.

The syndicate of agents for the Offering is being co-led by BMO Capital Markets, CIBC and Scotiabank, and includes National Bank Financial Inc., Canaccord Genuity Corp., GMP Securities L.P., Raymond James Ltd., Dundee Securities Ltd., PI Financial Corp., Desjardins Securities Inc., Global Securities Corporation and Industrial Alliance Securities Inc. (collectively, the “Agents”).
