Energy Leaders Income Fund Announces Distribution Amount for Twelve Months Commencing June 30, 2015

OAKVILLE, ONTARIO, June 8, 2015 – Energy Leaders Income Fund, (TSX: HEN.UN), (the "Fund") announces an expected monthly distribution amount for the following twelve months commencing June 30, 2015 of \$0.07 per Trust Unit (\$0.84 per annum). This monthly distribution amount remains the same as the regular monthly distribution paid by the Fund since its inception.

The Fund has been established to provide Unitholders with exposure in an equally-weighted portfolio of Equity Securities of 15 Energy Leaders from the Energy Leaders Investable Universe that have a market capitalization of at least US\$10 billion at the time of investment and meet certain investment characteristics.

The Fund's investment objectives are to provide Unitholders with:

- (i) monthly cash distributions;
- (ii) the opportunity for capital appreciation; and
- (iii) lower overall volatility of the Portfolio returns than would otherwise be experienced by owning the Equity Securities held by the Fund directly.
