*The Fund was formerly known as “Brand Leaders Plus Income Fund” and was originally established as a closed-end investment trust under the laws of Ontario on June 26, 2014 and commenced operations on July 24, 2014. Brand Leaders Plus Income Fund will convert from a closed-end fund into an exchange-traded fund on or about October 24, 2016 in accordance with amendments to its Declaration of Trust, as approved by Unitholders at a special meeting held on September 19, 2016 (the “Conversion”).

INVESTMENT OBJECTIVE

The Fund’s investment objective is to provide Unitholders with (i) monthly cash distributions; (ii) the opportunity for capital appreciation; and (iii) lower overall volatility of portfolio returns than would otherwise be experienced by owning Equity Securities of the Brand Leaders directly. To achieve lower overall volatility of portfolio returns, the Fund will generally write covered call options on up to 33% of the portfolio securities. The level of covered call option writing may vary based on market volatility and other factors.
