Prior to the conversions, each Fund was a closed-end fund (as Brand Leaders Plus Income Fund, Healthcare Leaders Income Fund, US Buyback Leaders Fund and Energy Leaders Plus Income Fund). As previously announced by Harvest Portfolios Group Inc., the manager of the Funds (the "Manager"), the conversions were approved at adjourned special meetings of unitholders held concurrently on September 19, 2016, as more particularly described in the management information circular that was mailed to unitholders on or about August 17, 2016.

Harvest Portfolios Group Inc., the manager of the Funds (the "Manager") believes that the Conversions will benefit existing unitholders of the Funds because, as exchange-traded funds, the Funds will offer greater market liquidity and efficient trading as well as participation in potential benefits from economies of scale through the continuous offering of units.
