\*The Fund was formerly known as “Tech Achievers Growth & Income Fund” and was originally established as a closed-end investment trust under the laws of Ontario on April 27, 2015 and was listed on the TSX on May 26, 2015. Tech Achievers Growth & Income Fund will convert from a closed-end fund into an exchange-traded fund on or about June 20, 2017 in accordance with amendments to its Declaration of Trust, as approved by Unitholders at a special meeting held on April 28, 2017 (the “Conversion”).

### INVESTMENT OBJECTIVE

The Fund’s investment objective is to provide Unitholders with: (i) the opportunity for capital appreciation; (ii) monthly cash distributions; and (iii) lower overall volatility of Portfolio returns than would otherwise be experienced by owning Equity Securities of the Healthcare Leaders directly. To achieve lower overall volatility of portfolio returns, the Fund will generally write covered call options on up to 33% of the portfolio securities. The level of covered call option writing may vary based on market volatility and other factors.
