

Annual Report of the Independent Review Committee **of the Harvest Portfolios Group of Funds**

March 4, 2022

Dear Securityholder,

In accordance with **National Instrument 81-107 *Independent Review Committee for Investment Funds*** ("NI 81-107" or the "Instrument"), Harvest Portfolios Group Inc. ("the Manager") established an Independent Review Committee (the "Committee" or "IRC") for the Funds in September 2009 (the "Funds"). The IRC has functioned in accordance with the applicable securities laws and is composed of three individuals, each of whom is independent of the Funds, the Manager and each entity related to the Manager (as defined in the Instrument).

The IRC is pleased to publish its annual report to securityholders, covering the period from January 1, 2021 to December 31, 2021 (the "Reporting Period").

Mandate of the IRC

In accordance with the Instrument, the mandate of the IRC is to consider and provide decisions to the Manager on conflicts of interest to which the Manager may be subject when managing the Funds as listed at the end of this Report. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Funds, develop written policies and procedures guiding its management of those conflicts and request input from the IRC on those written policies and procedures, (hereinafter referred to as the "Conflict of Interest Matters manual").

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC's prior approval, in most cases the IRC will provide a decision to the Manager as to whether, in the opinion of the IRC, the Manager's proposed action provides a fair and reasonable result for the Funds. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions ("SIs") that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, providing the Manager deals with the conflicts in accordance with the SIs.

The IRC is empowered to represent the best interest of the Funds in any matter where the Manager has referred a conflict of interest matter to it. In those cases, the IRC has sought to ensure that the Manager's proposed course of action represents a fair and reasonable result for the Funds.

The IRC has engaged Independent Review Inc. to assist it in its duties in accordance with the provisions of the Instrument and the IRC's written charter, to provide certain administrative and record keeping functions, and to act as the IRC's independent secretariat.

Review of Compensation

At least annually, the IRC reviews its compensation giving consideration to the following:

- the nature and extent of the workload of each member of the IRC, including the commitment of time and energy expected from each member;
- the number of meetings required by the IRC, including special meetings to consider conflict issues brought to the Committee;
- industry best practices, including industry averages and surveys on IRC compensation; and,
- the complexity of the conflict issues brought to the IRC.

The IRC reviewed comparable benchmarks and has determined not to make any changes in the Members' compensation at this time.
