

Investment Associate

The Company:

Harvest Portfolios Group Inc. ("Harvest") is a Canadian Investment Manager was founded in 2009. Harvest is focused on developing investment products that focus on quality investment portfolios & income generation and is a leading Canadian ETF provider.

Position Summary

As a member of the investment team, the Associate is responsible for communicating essential financial information for internal and external operations, trading and portfolio management teams. The Associate will co-ordinate with relevant partners to ensure the timely and efficient settlement of equity, fixed income, currency and derivatives trades. Working directly with senior members of the investment team, the Associate will also be engaged in fundamental and quantitative research for macro strategy forecasts, sector focused equity and fixed income investment portfolios. The position offers an opportunity to gain exposure to global portfolio management including the investment selection and execution of equity, fixed income, derivatives and foreign currency as they pertain to the Harvest suite of ETF's. This is a dynamic fast paced role that requires exceptional communication and analytical skills that can quickly and successfully adapt to multiple concurrent tasks.

Requirements

- Minimum of 2 years practical investment experience
- Completion of CFA level 1

Skills and experience

- Experience with Bloomberg and other information software required
- Operations, administration and accounting experience considered a desirable asset
- Knowledge of fundamental macro, equity and/or fixed income research
- Practicable fixed income, equity and derivative trading knowledge
- Demonstrated ability to take initiative and work independently
- Programming and/or advanced excel knowledge

The Investment Associate role offers the right candidate an opportunity to enhance their broad investment experience and expand their career with a fast-growing investment management company that embraces an independent and entrepreneurial culture.

Interested candidates that possess the qualifications and demeanour to successfully execute the role are encouraged to submit their resume information to:
