

**Position:** Web (PHP / WordPress) Developer

**Location:** Oakville

Harvest ETFs is seeking a talented Web Developer to join our rapidly growing team. As a developer, you will be responsible for both back-end (PHP/SQL) and front-end development, including creating WordPress sites, customizations, and plugins. An ideal candidate will have a good understanding of WordPress, PHP and front-end development. You will report to the VP of Marketing and work in close collaboration with the Marketing team, IT VP, Chief Operations Officer, and Sales Team.

**Responsibilities:**

- Creating custom WordPress features and functionality using PHP
- Ensuring high-performance, and managing all technical aspects of our WordPress sites
- Leading the development and deployment of responsive WordPress micro websites
- Using best practices to improve Core Web Vitals, SEO and maintainable code
- Cross-browser and functional testing after all WordPress updates
- Tailoring modules and existing plugins to meet business requirements
- Working closely with digital specialist, graphic designer and content editor

**Who we're looking for:**

- Strong understanding of PHP development for WordPress
- 4+ years' experience in WordPress development using PHP, HTML5, CSS3, JS, jQuery
- Experience developing responsive / mobile first websites
- Experience with browser tools like DevTools, Firebug, etc.
- Ability to understand CSS changes and specificity to ensure consistent style across platforms and browsers
- Ability to develop a functional WordPress site from a theme
- Knowledge of how to interact with APIs, including WordPress REST API
- Ability to communicate directly with peers, managers, and end users
- Understanding the benefits of SEO and the development skills to support SEO are a plus
- Understanding of code versioning tools a plus
- Collaborative attitude and teamwork

**Opportunities & Advantages:**

- Fast-growing environment
- Collaboration with various departments: sales, investments, finance
- Positive and supportive company culture
