

Important Tax Notice to U.S. Unitholders

This statement is provided to unitholders who are United States persons for purposes of the U.S. Internal Revenue Code of 1986, as amended (“IRC”) and the regulations thereunder. It is not relevant to other unitholders.

Harvest Travel & Leisure Income ETF (the “Fund”) may be deemed to be classified as a Passive Foreign Investment Company (“PFIC”) as defined in Section 1297(a) of the IRC for the year ending December 31, 2023 and thus, its unitholders are unitholders of the PFIC.

We recommend that all U.S. taxpayer clients consult a tax advisor concerning the overall tax consequences of their ownership of units of the Fund and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in a PFIC on the IRS website, www.irs.gov, by searching “Form 8621 Instructions”.

Please find below a PFIC Annual Information Statement (“AIS”) for the Fund. The PFIC AIS is being provided pursuant to the requirements of Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable you, should you so choose based on the advice of your tax advisor in light of your personal tax circumstances, to elect to treat the Fund as a qualified electing fund (“QEF”).

Generally, an election is filed for each investment fund for which you wish to make a QEF election. If you hold units of the Fund and the Fund holds units of one or more underlying investment funds, you will receive a combined PFIC AIS containing information that will enable you to elect to treat any or all of the funds as a QEF as you choose, as well as information relating to your units and values in your indirect holdings.

Note that the information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice. The taxpayer should seek advice based on their particular circumstances from an independent tax advisor.

If you have any questions regarding this matter, please contact your advisor, a U.S. tax advisor or visit our website at www.harvestportfolios.com. Thank you for investing with Harvest Portfolios Group Inc.

PFIC Annual Information Statement
For the Year Ending December 31, 2023

1) This Information Statement applies to the taxable year of the Fund for the year beginning on April 6, 2023 and ending on December 31, 2023.

2) Your pro-rata per share amounts of ordinary earnings and net capital gains for each Class of the Fund for the period specified in paragraph (1) are as follows:

Class	Ordinary Earnings (US\$)	Net Capital Gains (US\$)
Class A	0.165132	0.000000

To determine your pro-rata share of the amounts above, multiply the amounts by the number of units of each Class you held during the year.

- i. If you owned the same number of units from April 6, 2023 through December 31, 2023, multiply the number of such units by the amounts above.
- ii. If you did not own the same number of units from April 6, 2023 through December 31, 2023, multiply the number of units you owned by the amounts above as well as by the number of days the units were held in 2023 and divide the result by 270.

3) Your pro-rata share of cash distributions¹ and property distributions for each Class of the Fund for the period specified in paragraph (1) are as follows:²

Class	Property Distributions (US\$)	Cash Distributions (US\$)
Class A	1.110324	0.000000

To determine your pro-rata share of the amounts above, multiply the amounts by the number of units of each Class you held during the year.

- i. If you owned the same number of units from April 6, 2023 through December 31, 2023, multiply the number of such units by the amounts above.
- ii. If you did not own same number of units from April 6, 2023 through December 31, 2023, multiply the number of units you owned by the amounts above as well by the number of days the units were held in 2023 and divide the result by 270.

¹ Under U.S. tax reporting rules, cash distributions only include distributions denominated in U.S. currency. Distributions denominated in Canadian currency are reported as property distributions.

² All amounts are reported in U.S. dollars. Distributions represent average distributions that are not reinvested in the fund. If you have elected to reinvest your distributions, the above amount may not be reflective of the actual distribution amount you received during the year. If you have made a QEF election, your basis in your fund securities is based on your investment in the fund before the election, plus your share of ordinary earnings and/or net capital gains less the actual distributions you have received during the year. You should consult your U.S. tax advisor to determine your U.S. tax basis in the fund securities during the year.

4) The Fund will, upon receipt of a request, permit you to inspect and copy its permanent books of account, records, and other such documents as may be maintained by the Fund that are necessary to establish its ordinary earnings and net capital gains computed in accordance with U.S. income tax principles under IRC Section 1293 and to verify these amounts and your pro-rata share thereof.³
