**Investment Goal**

Harvest Balanced Income & Growth ETF will seek to provide unitholders with high monthly cash distributions and the opportunity for capital appreciation. It invests, on a non-levered basis, in a portfolio of exchange traded funds that are listed on a recognized North American stock exchange that provide exposure towards large capitalization equity securities, investment grade bonds or money market instruments issued by corporations or governments. It will primarily include exchange traded funds that engage in covered call strategies.

**Benefits of Investing in HBIG**

- Simple and efficient way to invest in 60/40 portfolio
- High monthly cash flows from covered calls in a balanced portfolio
- Diversified portfolio of large cap-equities and investment grade bonds
- Tactical asset allocation applying portfolio management expertise for enhanced returns and risk management
- Steady monthly cash distributions
- Low-Medium Risk
- All-in-one solution

**Disclaimer:** Commissions, management fees and expenses all may be associated with investing in HARVEST Exchange Traded Funds managed by Harvest Portfolios Group Inc. (the "Funds" or a "Fund"). Please read the relevant prospectus before investing. The funds are not guaranteed, their values change frequently, and past performance may not be repeated. Tax investment and all other decisions should be made with guidance from a qualified professional.

1 Distributions are paid to you in cash unless you request, pursuant to your participation in a distribution reinvestment plan, that they be reinvested into Class A units of the Fund. If the Fund earns less than the amounts distributed, the difference is a return of capital.
