### Investment Goal

Harvest Industrial Leaders Income ETF will seek to provide

- Opportunity for capital appreciation
- Monthly cash distributions
- Lower overall volatility of the portfolio returns than would otherwise be experienced by directly owning stocks of companies in the Industrials sector that are leaders, as determined by the manager

To achieve lower overall volatility of portfolio returns, HIND will generally write covered call options on up to 33% of the portfolio securities. The level of covered call option writing may vary based on market volatility and other factors.

### Benefits of Investing in HIND

- Exposure to leading industrial companies and emerging trends
- Sub-sector diversification positioned to benefit from secular growth trends
- Up to 33% covered calls to generate income
- Steady monthly cash distributions
- Medium Risk

## Secular Trends Driving Industrials (USA) – Recover, Rebuild, Repatriate

### Recover

Early 2020s legislation has spurred record investment in the manufacturing sector.

### Rebuild

Massive projects to build and rebuild roads, bridges, public transit, etc.

### Repatriate

Billions of dollars committed to the domestic semiconductor space and factory automation.

## Sub-Sector Allocation

- Aerospace & Defense 25%
- Machinery 20%
- Ground Transportation 15%
- Trading Companies & Distributors 10%
- Commercial Services & Supplies 10%
- Electrical Equipment 10%
- Passenger Airlines 5%
- Air Freight & Logistics 5%

## Portfolio of Leading Industrial Companies

**Disclaimer:** Commissions, management fees and expenses all may be associated with investing in HARVEST Exchange Traded Funds managed by Harvest Portfolios Group Inc. (the "Funds" or a "Fund"). Please read the relevant prospectus before investing. The funds are not guaranteed, their values change frequently, and past performance may not be repeated. Tax investment and all other decisions should be made with guidance from a qualified professional.

\*Distributions are paid to you in cash unless you request, pursuant to your participation in a distribution reinvestment plan, that they be reinvested into Class A units of the Fund. If the Fund earns less than the amounts distributed, the difference is a return of capital.
