Each ETF built "The Harvest way": Our Equity Income ETFs are portfolios of large-cap, high-quality equities that meet strict financial criteria combined with a covered call option to maximize cashflow. Our Fixed Income ETF targets exposure to high quality bonds and overlay a covered call strategy of up to 100% to maximize cashflow.

Disclaimer: For Information Purposes Only. Commissions, management fees and expenses all may be associated with investing in HARVEST Exchange Traded Funds (managed by Harvest Portfolios Group Inc.). Please read the relevant prospectus before investing. The funds are not guaranteed, their values change frequently and past performance may not be repeated. Tax, investment and all other decisions should be made with guidance from a qualified professional. Distributions are paid to you in cash unless you request, pursuant to your participation in a distribution reinvestment plan, that they be reinvested into Class A units of the Fund. If the Fund earns less than the amounts distributed, the difference is a return of capital.

Distributions on the units, if any, may consist of income, including foreign source income and dividends from taxable Canadian corporations, and capital gains, less the expenses and may include returns of capital.
