## Investment Highlights

- Large-capitalization global utility stocks with long term sustainable cash flows
- Designed for investors looking for defensive position with attractive monthly income
- Equally weighted to reduce single stock risk
- Covered call strategy used to enhance portfolio income potential and lower portfolio volatility

## Investment Objective

Harvest Equal Weight Global Utilities Income ETF invests in an equally weighted portfolio of 30 global utilities companies, covering utilities, telecommunications, oil & gas storage, and transportation. The ETF is designed to provide a consistent and competitive monthly income with an opportunity for growth. In order to generate an enhanced monthly distribution yield, an active covered call strategy is engaged.

Commissions, management fees and expenses all may be associated with investing in HARVEST Exchange Traded Funds (managed by Harvest Portfolios Group Inc.). Please read the relevant prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account income taxes payable by any securityholder that would have reduced returns. The funds are not guaranteed, their values change frequently and past performance may not be repeated. Tax, investment and all other decisions should be made with guidance from a qualified professional. Certain statements included in this communication constitute forward-looking statements, including, but not limited to, those identified by the expressions "expect", "intend", "will" and similar expressions to the extent they relate to the Investment Fund. The forward-looking statements are not historical facts but reflect the Fund's, Harvest and the Manager of the Fund's current expectations regarding future results or events. These forward looking statements are subject to a number of risks and uncertainties that could cause actual results or events to differ materially from current expectations. Although the Fund, Harvest and the Manager of the Fund believes that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and, accordingly, readers are cautioned not to place undue reliance on such statements due to the inherent uncertainty therein. The Fund, Harvest and the Manager of the Fund undertakes no obligation to update publicly or otherwise revise any forward-looking statement or information whether as a result of new information, future events or other such factors which affect this information, except as required by law. \*Source: Bloomberg. Average statistics calculated based on portfolio weighted average. Dividend yield (gross) based on Bloomberg indicated 12 month yield of portfolios positions and does not represent the distribution yield paid to investors. The above information is for illustrative purposes only, is estimated and unaudited. Distributions are paid to you in cash unless you request, pursuant to your participation in a distribution reinvestment plan, that they be reinvested into Class A Units of the Fund. If the Fund earns less than the amounts distributed, the difference is a return of capital. \*\*Class A since inception
